## UNCERTAINTY SHROUDS THE ELECTION RESULT

CHARLES E. HUGHES.  
Republican Nominee.

## OHIO'S VOTE

By Associated Press Dispatch.

Cincinnati, Nov. 8.—With 3688 precincts out of a total of slightly more than 5570 heard from President Wilson early today has a plurality in the state of 46,269 and if the present ratio continues he will carry the state by approximately 70,000.

James M. Cox, Democratic candidate for governor is leading Frank B. Willis by 7,565, with 3751 precincts heard from.

Atlee Pomerene, Democratic U. S. Senator is leading Myron T. Herrick by 12,620 with 3576 precincts heard from.

W. L. Finley Democratic Chairman early today declared that Cox and Pomerene would win by 32,000 plurality. He also declared that the entire Democratic state ticket had been elected.

At Republican headquarters it was conceded that Wilson had carried Ohio, but Chairman Chas. Hatfield at 5 o'clock this morning declared that Gov. Willis, Mr. Herrick and the entire state ticket had been elected.

At an early hour this morning five congressional races in the state remained in doubt. These were in the fourth, sixth, eighth, eleventh and fifteenth districts.

Of the 17 definitely decided the Democrats have nine seats and the Republicans eight.

As a rule the state ticket follows along the vote for Governor and Senator and it was yet too early to complete the complexion of the state Senate or House of Representatives.

## CINCINNATI VOTE

By Associated Press Dispatch.

Cincinnati, November 8.—Returns at 1 o'clock from 4487 of the 5570 precincts in Ohio give Wilson 462515, Hughes 393,194.

Cox had 435,221 from 4461 precincts and Willis 423,234.

Returns from 4357 precincts give Pomerene 420,885, Herrick 397,123.

With partial returns from 20 counties in the state, including practically complete returns from Cuyahoga, Hamilton, Franklin, and Lucas Counties, the following state officers are leading:

Lieutenant Governor, Bloom; Secretary of State, Fulton; Auditor Donahy; Treasurer, Bryan; Attorney General, McGhee.

## CLAIMS VICTORY

By Associated Press Dispatch.

New York, Nov. 8.—Chairman McCormick shortly after 11 o'clock claimed President Wilson's election with 288 electoral votes. He claimed Kansas with 10 and Ohio with 24.

## NORTH DAKOTA

By Associated Press Dispatch.

Fargo, N. Dakota, November 8.—President Wilson leads Charles E. Hughes by slightly over 1,000 votes in North Dakota.

Early Returns From New York and New England States Indicated Landslide for Hughes. Later Returns After Republican Victory Had Seemed Certain, Swept away the Hughes Lead and Showed a Decided Trend for Wilson.

## CLOSEST CONTEST SINCE CAMPAIGN OF '92

Both National Committee Chairmen Are Claiming Election But Neither Have any Substantial Basis in Fact for Claim.

New York, November 8.—(Associated Press Dispatch)—The result of the election was still officially in doubt today early with a decided drift toward the re-election of President Wilson.

Upon a dozen doubtful states from which the returns are coming slowly, depends whether Mr. Wilson has been re-elected or whether Hughes will be the next president.

Chairmen of both national committees claimed handsome majorities, but the actual figures early today made good the claims of neither. They did, however, show a steady trend toward the President all through the West.

Aside from the uncertainty of the result the most remarkable thing about the election was the sudden wiping out of Hughes majorities piled up in the east by the returns coming in from the west.

When the Republican landslide in New York became known and was quickly followed by the heavy Republican victories in New England there was a veritable stampede to announce the election of Mr. Hughes.

At midnight it was apparent that the free predictions of a sweeping Republican victory were being contradicted by the results from the West. As every hour saw the Hughes lead melting down it became clear that the President was not to be defeated so easily, and then at daylight without any decisive result it became apparent that the battle was being fought out in the doubtful states with the advantage decidedly in favor of Mr. Wilson.

Not since a next day's revision of the returns seated Grover Cleveland in 1892 has the result so long been in doubt.

More than 12 hours after the polls had closed, Wilson and Hughes were running a neck and neck race in the doubtful states.

Congressional returns are equally uncertain, but on their face at 8 a. m. today the Republicans had not been able to overthrow the Democratic majority, although they did succeed in reducing it in the House. In the Senate the Republicans appear to have gained seven seats.

Despite the lack of certain returns from the states, which will turn the scale of victory or defeat, neither of the national chairmen hesitate to claim the election.

## HOW'S THIS?

By Associated Press Dispatch.

New York, November 8.—In claiming the re-election of Wilson, a statement was made at Democratic Headquarters that the President could lose both California and Minnesota and still be elected.

## COX A WINNER

By Associated Press Dispatch.

Cincinnati, November 8.—Former Governor Cox is leading Governor Willis by 11,987 votes this afternoon in 4461 precincts.

## WEST VIRGINIA

By Associated Press Dispatch.

Charleston, W. Va., November 8.—Returns from 832 precincts out of 1713 in West Virginia, give Hughes 68,228 and Wilson 67,600.

JAMES M. COX.  
Elected Governor of Ohio.

## REPUBLICANS CLAIM HOUSE

Like Returns on President, Doubt Still Exists.

Until the result clears up, it will be impossible to state how the House will be composed. The Democrats have a present majority of 23, but this was reduced in the known districts yesterday, and Republican assert they will win the House.

The reduction already effected is said to have cut the Democrat majority down to five.

Geo. E. Farrand, chairman of the Democrat State Committee of New Hampshire, notified Secretary of State Bean today that he would call for a recount of the presidential vote. Hughes is leading in New Hampshire by a narrow margin.

## OHIO DELEGATION IN THE CONGRESS

Democrats Make Gain in Congressional Election.

By Associated Press Dispatch.

Cincinnati, November 8.—With one congressional district, the fifteenth, still in doubt at noon, the Democrats have made a net gain of three in the House.

J. E. Russell, Nelson E. Matthews, E. D. Ricketts and S. H. Williams, from the fourth, fifth, eleventh and fourteenth districts, failed of reelection on the Republican ticket for Congress.

The Republicans gained one congressman in the second district where Victor Heintz was elected.

In the fifteenth district the race between George White, Democrat, and W. C. Mooney, Republican, present congressman, was so close at noon that it was impossible to say who would be victor. Mooney was said to be running slightly ahead.

Disregarding the fifteenth district, the Ohio delegation in the next congress will stand twelve Democrats.

## LATER CALIFORNIA

By Associated Press Dispatch.

Los Angeles, Cal., November 8.—Semi-official returns announced today by Thomas McAleer, registrar of votes, showed 412 complete city and county precincts gives Hughes 41,412 and Wilson 38,071.

## NEW JERSEY

By Associated Press Dispatch.

Trenton, N. J., Nov. 8.—New Jersey President Wilson's home state went Republican on national and state issues. The President is running ahead of the state ticket. Hughes plurality with 777 districts missing is more than 22,000.

## REPUBLICANS CONFIDENT OF CALIFORNIA VOTE

Some Unofficial Talk of Throwing Contest Into National House for Decision, But This is Not Taken Seriously.

(By Associated Press)

With the country's choice of president still decidedly doubtful, both Republican and Democratic headquarters are claiming victory, each asserting no less than 280 electoral votes will be cast for their respective candidates, with 266 necessary to choice.

It is said that the decision is so close that another day may be required to definitely fix the winner, and some unofficial talk is heard that the contest may even be thrown into the House of Representatives for decision.

Vance McCormick and W. R. Wilcox, chairmen of the Democratic and Republican National Committees respectively, at noon issued statements showing to their own satisfaction that their candidates had been elected.

Wilcox asserted that he had positive knowledge that Minnesota and California had voted for Hughes, and that this, with the states already known to be for the Republican candidate, assured his election.

Indiana, considered a doubtful state and one that has been claimed by both sides, seemed sure for Hughes today by at least 10,000, with estimates running up to 25,000.

Kansas is conceded to the President. Oregon is still undecided, with the vote running very close and the state claimed by both sides. The present trend of the voting seems to favor Hughes slightly, but no decision can be assured until the entire vote is canvassed.

Late returns in Minnesota are strongly favoring Hughes.

Prohibition forces are today jubilant over their sweeping victory in Michigan, where it is said the state will go dry by more than 80,000.

The dries also claim Montana, South Dakota, Utah and Nebraska, and their assertions seem to be borne out by incomplete returns.

South Dakota granted equal suffrage, and the dries looked to this to swing that state into the Prohibition columns in the near future.

The California vote this morning appeared to be shaping itself toward Hughes, although a large number of precincts remain to be heard from.

This is true in North Dakota, also, where Wilson seems to be leading by a narrow margin, but with many so-called Republican precincts to be heard from.

Republican state chairman Hatfield at noon today conceded Ohio to Wilson by 75,000 plurality and said he believed Pomerene had defeated Herrick for United States Senator by 15,000. He did not concede the election of Cox.

Senator Thomas J. Walsh, manager of Western Democratic Headquarters in Chicago, declared at noon that he was positive Wilson would secure at least 304 electoral votes.

The political complexion of the national house of representatives is still in doubt. The Senate remains Democratic, it is practically conceded, with a reduced majority on the floor. There are 100 congressional districts still in doubt.

WOODROW WILSON.  
Democratic Nominee.

## WILSON'S FRIENDS RETAIN HOPES

Secretary Tumulty and Other Close Friends Wait Through the Night for News, Never Discouraged.

By Associated Press Dispatch.

Long Branch, N. J., Nov. 8.—A confident group of men, including Secretary Tumulty, waited today for more returns from yesterday's election, after having been up all night in the executive offices at Ashbury Park, N. J., with their hopes slowly rising as more complete returns from Western states came in.

President Wilson, who retired late last night, was up shortly before 8 o'clock and was immediately notified of the shift in his favor in returns received during the night. He expressed pleasure but reserved judgment.

While Secretary Tumulty and other members of the President's official family believed this morning that the President had been re-elected, they issued no statements.

Meanwhile, encouraging messages came from several doubtful states. The President plans to remain at Shadow Lawn today.

## SOCIALISTS BIG VOTE

By Associated Press Dispatch.

Chicago, November 8.—Carl D. Thompson, national manager of the Socialist Party, in a statement today said that the Socialists this year voted about 1,200,000 votes, or 300,000 more than in 1912.

While this gain of the total vote was not so great as had been hoped for, he said, he expressed himself as satisfied.

Mr. Thompson said the Socialists expected to seat seven or eight congressmen, but apparently had elected none.

## ANOTHER CLAIM

By Associated Press Dispatch.

New York, November 8.—A statement issued at Republican Headquarters at 3:30 this afternoon claimed Minnesota, Oregon, California and New Hampshire, and asserted that Hughes had obtained 277 electoral votes.

THE RESULT

IN FAYETTE

Wilson's Total Vote in This County Was a Surprise to Many Forcasters.

President's Vote Exceeds That of State Ticket.

The result of the voting in Fayette county Tuesday was full of surprises for all interested persons, and they were legions, too.

The county's entire vote with only Octa precinct out, where 39 votes were cast, gave Wilson 2591 and Hughes 2755, a plurality for Hughes of 164.

For Governor, the same precincts gave Cox 2424, Willis 2934; a plurality for Willis of 510.

For Clerk of Courts, Ireland received 2776 votes and Edwards 2565; plurality for Ireland of 211 votes.

Ireland was the only Democratic candidate who obtained a plurality in the county.

For Commissioner (three to elect) Hagler received 2976; Perrill 2801; Williams 2697; Long 2149; Nelson 2324 and Weaver 2645. The last three named were the Democratic nominees and the first three the Republicans. All three Republican candidates were elected.

The vote between Williams and Weaver was close, the former receiving a plurality of 52.

For Treasurer, Duff, the Republican nominee received 3122 votes and Brown, his Democratic opponent, 2,202, a plurality for Duff of 916.

For State Auditor, Adams, Republican received 2815 votes and Donahue, Democrat, 2496.

For Treasurer of State Archer, Republican received 2840 and Bryan Democrat 2453.

For Attorney General, Turner, Republican received 2863 and McGhee, Democrat 2424.

For United States Senator, Herrick Republican received 2820 and Pomerene, Democrat 2491.

Congressman Fess, Republican received 2951 votes in the county (no opposition.)

For State Senator Murrell, Republican received 2740 and Hiser, Democrat 2558.

For Representative, Frank C. Parrett, Republican received 3009 and Persinger, Democrat received 2346.

For Sheriff, Jones Republican received 3101 and Coffey Democrat 2222.

For County Auditor, Pine, Republican, received 3085 and Burton, Democrat received 2254.

For county Recorder, Johnson, Republican, received 3065 and Arehart, unopposed, received 3101 votes.

Teeters, Republican, for Coroner, received 3061 and Lutterell, Democrat, 2273.

The above returns are complete and official subject only to the change to be made by including the vote of Octa precinct, where a total of 39 votes were cast.

The result of the election in Octa has not yet been certified because of a disagreement between the judges of election.

THE CONTESTS

FOR JUDGESHIPS

Allen and Kearney Stage the Most Eccting Contest.

The Non-partisan Judicial Election results showed that Donahue, Democrat; Johnson, Democrat; Joyce, Reubican; Summers, Republican for Supreme Court Judge, received 1276, 1138, 1356 and 1426 votes respectively in Fayette County outside of Octa.

In the same precincts, Brown Republican and Ferneding, Democrat received, respectively, for Judge of the Circuit Court of Appeals, 1786 and 1446 votes.

For Judge of the Probate Court Allen, Independent, received 2285 votes and Kearney, Democrat received 2081, a plurality for Allen of 204.

VOTE OF OCTA

TIED UP BY VERY UNUSUAL AFFAIR

The vote in the village of Octa was not counted until noon or later Wednesday because of asquabble which appears to have arisen among the election officials, and which resulted in the officials leaving the vote uncounted and going to their homes Tuesday night, after starting the count.

From apparently reliable information it appears that the constable of Jasper township, Glenn Rankin, wanted in where the vote was being canvassed, and deliberately smashed a window in order to get inside.

It seems that J. P. Allen, clerk, became angered over some action or argument, and after some words with others of the officials, left the polling place and went home. The dissonance over the count caused the other officials to appeal to Hon. J. D. Post Chief of the Board of Deputy Supervisors of Elections for Fayette County, and as a result the count was postponed, the ballots locked up and no further attention paid to canvassing the returns until Wednesday.

Only 38 voters live in Octa, and 20 were cast for Wilson and 16 for Hughes.

HERALD SCREEN

MIRRORS CHOICE

OF THE VOTERS

From the time the first returns were available about 7:30 Tuesday evening, until two o'clock, Wednesday morning, Washington and Fayette county citizens were given the election returns of the county, state and nation part by parts as they were received by The Herald, a great crowd packing Court street in front of the big screen where the returns were thrown, and hundreds throughout the city and county availing themselves of the telephone to secure the same information.

With the aid of representatives in every voting precinct in the city and county, the local results were obtained as fully as possible so that the result was known for a certainty, and the trend in state and nation, as indicated by the vote up to two o'clock was followed closely.

From the mass of people who packed the street to obtain the Herald's returns, came shouts of pleasure each faction shouting for their respective candidates.

It was a good natured crowd of representative citizens who watched every bulletin with deep interest.

The Herald office presented the us-

DEATH ENDS

GREAT SUFFERING

After a long and distressing illness in which cancer caused almost unbearable suffering, Mrs. Frank McCormick answered the eternal summons in the early dawn of Wednesday morning.

For a long year Mrs. McCormick has been confined to her bed and the fortitude and patience with which she has borne, her illness has aroused unspeakable admiration and increased the great affection cherished for her by all who have been within her circle.

A woman naturally possessed of lovely christian character, which broadened into a wonderful spirituality during her long illness.

Mrs. McCormick leaves her husband, sister and brothers a rich legacy in her beautiful life.

The devotion of her husband during all her illness was almost past belief. It was his wish to do personally every thing possible and to give to her the difficult care which her serious illness required. In order to do this Mr. McCormick has been able to pay but scant attention to his business giving up almost his entire time to his wife, and doing much to alleviate her sufferings.

Besides her husband she is survived by one sister, Mrs. Charles Grimes, Mr. Add Hyer, of New Holland, and Mr. John Hyer, of Austin.

Mrs. McCormick was a faithful member of the Presbyterian Church, taking much interest in the different branches of her work as long as her health permitted. Her friends were many in both this city and her earlier home, New Holland.

Funeral services will be held Friday afternoon at one o'clock at the residence, Rev. Gage the officiating minister and the Order Eastern Star No. 29 incharge. The burial will be made in the New Holland cemetery.

# RUNAWAY TEAM KILLS WOMAN

Mrs. John Hunt, Residing Near  
Luttrell, Fatally Injured While  
Endeavoring to Stop Team—  
Wagon Crushes Body—Two  
Small Children Motherless.

While endeavoring to stop a run-  
away team of horses on their farm  
three miles west of Luttrell, Tuesday  
morning about ten o'clock, Mrs. John  
Hunt was dragged and trampled by  
the horses and the heavy farm wagon  
ran over her, inflicting internal in-  
juries which caused her death at  
six o'clock Tuesday evening.

Mr. Hunt was hauling corn to the  
granary and the horses took fright  
while he was away from them, and  
dashing through the barn, was in the  
act of escaping all restraint when Mrs.  
Hunt pluckily seized the animals, but  
was dragged and trampled to the  
ground, and the wagon crushed her.

Both heavy wheels passed across  
her body and the internal injuries  
were so severe that all efforts to save  
her life were unavailing and at six  
o'clock death relieved her sufferings,  
leaving the grief-stricken husband and  
two small children, the youngest sev-  
en months old.

The tragic affair has shocked the  
entire neighborhood where Mr. and  
Mrs. Hunt have a great circle of  
friends.

Funeral services will probably be  
held Thursday afternoon.

# HUGHES LEADS IN EARLY REPORTS LATER NEWS LESSENS FIGURES

Returns Favor Republican Nominee.

DEMOCRATS HOPEFUL

Reports From Western States Apparently Favor Wilson.

M'CORMICK CLAIMS VICTORY

Contests the Claim of Willcox, Declaring the President Will Have a Majority of the Electoral Votes. May Require the Official Count to Settle the Dispute—Election Results in the Several States.

New York, Nov. 8.—It may require the official count to determine the result of the presidential election. Both Republicans and Democrats are claiming the advantage.

All of the early reports showed a landslide to Hughes and Fairbanks in the east. They carried New England, New York, New Jersey, Pennsylvania, Iowa, West Virginia and Wisconsin by old time pluralities. Chairman Willcox claimed the election of the Republicans by more than 300 in the electoral college.

Shortly after midnight the decided swing toward President Wilson became evident in the far west and the northwest. It was sufficient to throw a real scare into the Republican managers and to bring hopefulness to the Democracy.

Democratic National Chairman McCormick took the initiative in claiming the re-election of President Wilson, following a conversation over the long-distance telephone with Secretary Tumulty at Ashbury Park. He declared the complete returns would show the president had more than 266 electoral votes necessary to elect. As a nucleus for his claim he seized upon Indiana, earlier conceded to the Republicans by 30,000. Indianapolis and that section of the state had pledged an early lead for the Republican ticket which the returns from the "cornfields" later slowly and surely began to wipe out.

While the advantage still rests with the Republicans, Candidate Hughes showed that he was by no means certain when he declined to make any statement whatever.

It is apparent that the next house of representatives will be safely Republican, and that if the Democrats retain their control of the senate it will be on a very slender thread.

The Republicans have elected their governor in New Hampshire, Vermont, Massachusetts, Rhode Island, Connecticut, New York, Illinois and other states.

Later returns from the West are more favorable to Wilson. On the face of early reports, Kansas, regarded as a safe Republican state, has given its vote for the president.

Wilson leads in Ohio, but the Republican managers refuse to concede his victory. Both sides claim the state with apparent confidence.

Indiana and Wisconsin are in doubt, but the returns indicate that Hughes is leading in both.

Chairman Willcox definitely claims Hughes' election. Chairman McCormick refuses to concede it, declaring that complete returns will show Wilson's election.

It looks as if the vote in the electoral college will be fairly close.

## NEW JERSEY.

Newark, N. J., Nov. 8.—Returns from every part of the state indicate that Governor Hughes' plurality in President Wilson's own state will be about 36,000. The president carried Hudson county by about 12,000 but lost Essex, by 10,000. The Republican senatorial candidate, Jos. S. Frelinghuysen has defeated James E. Martine by close to 50,000 plurality and Walter E. Edge, Republican is elected governor over W. Otto Wittmann by a similar vote.

## PENNSYLVANIA.

Philadelphia, Nov. 8.—Returns from Pennsylvania indicate that Charles E. Hughes has carried the state by about 200,000 plurality. The entire Republican state ticket also was successful by a plurality a little less than that for Hughes.

## MARYLAND.

Baltimore, Nov. 8.—Returns indicate that President Wilson has carried Maryland by about 3,000. Joseph I. France, Republican, has been elected United States senator by 4,000 majority over David J. Lewis, father of the parcel post.

## NEW YORK.

New York, Nov. 8.—Charles Whitman has been re-elected governor by a plurality which will be at least double that of Justice Hughes and

William M. Calder, Republican, has been elected United States senator, succeeding James A. O'Gorman, Democrat, who was not re-elected incumbent, who was not re-elected. Calder's plurality over nominated, William F. McCombs will exceed 100,000. Hughes' plurality will exceed 100,000.

## TENNESSEE.

Memphis, Nov. 8.—Governor Rye, Democrat, has been re-elected by a great plurality. F. D. McKeller, Democrat, has been elected to the United States senate over former Governor Hopper, Republican. Wilson has carried the state by a substantial plurality.

## INDIANA.

Indianapolis, Nov. 8.—Although Indiana apparently had joined the Republican column, Democratic state headquarters refused to concede de-

feat. W. H. Hayes, chairman of the Republican state committee, claimed the state for Hughes by 35,000.

## ILLINOIS.

Chicago, Nov. 8.—Indications are that Hughes has carried Illinois by 100,000 and has swept Frank O. Lowden into office as governor along with a majority of the Republican state ticket. Reports from down state show a huge lead for Hughes, when he comes into Cook county, in which the figures will not materially affect his estimated majority. The greatest surprise of his vote was the great number of women who supported him, available figures indicating that he almost broke even with President Wilson.

## IOWA.

Des Moines, Ia., Nov. 8.—Hughes has carried Iowa by 60,000 and Harding, for governor, will win by 75,000, according to claims put forth by the Republican state committee. With two seats still contested the legislature will be Republican.

## UTAH.

Salt Lake, Nov. 8.—The Democrats have made a clean sweep in Utah and President Wilson has won the state's electoral votes by a large plurality. Senator Sutherland, Republican, has been defeated by Judge King, Democrat.

## MICHIGAN.

Detroit, Nov. 8.—Returns from various portions of the state indicate Hughes will have a safe plurality. Although the count was slow it was apparent that the state outside of Detroit had cast close to a normal Republican vote.

## NEW HAMPSHIRE.

New York, Nov. 8.—Senator Hollis of New Hampshire in a telegram to Carter Glass, secretary of the Democratic national committee claimed New Hampshire for Wilson by 1,000 plurality.

## KANSAS.

Topeka, Kan., Nov. 8.—Kansas at this hour is in doubt with both sides claiming victory. Democratic managers said the women's vote, estimated to be 40 per cent of the total, had carried the state for Wilson.

## RHODE ISLAND.

Providence, R. I., Nov. 8.—Governor Beekman and the entire Republican state ticket are re-elected. The legislature is strongly Republican. Senator Lippitt is running behind Hughes with Gerry, D., close up.

## MONTANA.

Butte, Mont., Nov. 8.—Women voters stood solidly by women candidates in Montana and the election of Mrs. Jeannette Rankin to congress appears assured. Prohibition appears to have carried by 10,000.

## SOUTH DAKOTA.

Sigaux Falls, S. D., Nov. 8.—Returns indicate that the state has been carried by Hughes by a small majority. Prohibition appears to have been adopted, while woman suffrage is doubtful.

## WISCONSIN.

Milwaukee, Nov. 8.—Returns from all sections of the state show that Wisconsin has been carried by Hughes by more than 20,000. Robert M. LaFollette is leading for United States senator.

## KENTUCKY.

Louisville, Nov. 8.—Estimates are that the Democrats have carried Kentucky by 20,000. Indications pointed to the election of nine Democratic congressmen and two Republicans.

## ARIZONA.

Phoenix, Ariz., Nov. 8.—Indications are that President Wilson had carried Arizona, although the count is slow because of the heaviest vote in the history of the state.

## WASHINGTON.

New York, Nov. 8.—Despatches to the Republican National Committee say that Governor Hughes has carried the state of Washington by upward of 25,000.

## MISSOURI.

Kansas City, Nov. 8.—There seems little doubt that Wilson has carried Missouri by more than 25,000.

## TEXAS.

San Antonio, Nov. 8.—President Wilson's plurality in Texas will reach 160,000 according to returns.

## MINNESOTA.

St. Paul, Nov. 8.—The Republican plurality is estimated at 15,000 to 25,000.

The annual rummage sale of the Welfare Association will be held Friday, November 10th, in the Burke room on Fayette street. Everybody get busy and help along this sale.

# DEMOCRATS WIN OUT IN STATE

## State Ticket Has a Big Lead.

### POMERENE IN DANGER

Herrick May Secure His Seat In the Senate.

### WILLIS APPARENTLY DEFEATED

Attorney General Turner, According to Late Returns, May Be Saved to The Republicans—Cuyahoga, Lucas, Franklin and Montgomery Counties Give Heavy Pluralities for Wilson—The State Ticket Elected.

Columbus, Nov. 8.—That President Wilson carried Ohio by a safe plurality is indicated by returns received from every section of the state.

Chairman W. L. Finley of the Democratic state committee insisted that Wilson would carry the state and wired Vance McCormick, chairman of the Democratic national committee, that the president was sure of a majority of more than 100,000 in Ohio. He also claimed that Senator Pomerene and former Governor Cox would be elected, although running behind the president.

This, however, was not conceded by Lieutenant Governor John Arnold, who issued a statement claiming Governor Willis and he had been elected by pluralities ranging from 40,000 to 50,000.

Unofficial estimates by Democratic county leaders in Cuyahoga and Franklin counties in which Cleveland and Columbus are situated were confident of victory for President Wilson. John Weld Peck, chairman of the Democratic county committee of Hamilton county (Cincinnati) conceded that Hughes would carry the county by 400 votes.

Democrats claim that returns indicate that President Wilson's plurality in Ohio will be sufficient to elect Pomerene United States senator and Cox governor for new terms. Democratic Chairman Finley says Cox and Pomerene are elected.

Hopes of Republicans that Hamilton county would roll up a plurality for Hughes, Willis and Herrick to offset the anticipated plurality for Wilson, Cox and Pomerene in Cuyahoga county seem doomed.

It is thought that Hughes has Hamilton county by a margin well in excess of 10,000, whereas Wilson has Cuyahoga county by over 20,000, early returns forecast. In both Hamilton and Cuyahoga counties Cox and Pomerene show up well. In Cuyahoga Cox is actually ahead of Wilson; Pomerene a little behind the president. Cox also is running ahead of the president in Hamilton county, where thousands of Germans live.

Vote in the Big Counties. Admitting the possibility of Hamilton county rolling up a substantial margin for Hughes and for Republican gains in rural counties, it seems that Wilson has carried Ohio by a substantial margin.

Cuyahoga county gives Wilson a plurality of 20,000; Franklin 8000; Montgomery 7000; Lucas 14,000; Summit 3000.

Late returns indicate that Myron T. Herrick for senator and Edward C. Turner for Attorney General have been saved to the Republicans.

The following are probably elected: For United States senator, Myron T. Herrick, R., of Cleveland (doubt-

ful); for governor, James M. Cox, D., of Dayton; for lieutenant governor, Earl D. Bloom, D., of Bowling Green; for treasurer, Chester E. Bryan, D., of London; for secretary of state, William D. Fulton, D., of Newark; for auditor, Vic Donahay, D., of New Philadelphia; for attorney general, Edward C. Turner, R., of Columbus.

Nicholas Longworth, Republican congressman from Cincinnati, was re-elected to serve his seventh term. He is 47 years old and has been for ten years son-in-law of Colonel Roosevelt.

### Franklin County.

Columbus, Nov. 8.—Returns indicate the election of Congressman Brumbaugh and the entire Democratic state ticket with the possible exception of Samuel L. Black for probate judge by pluralities ranging from 4000 to 8000. Wilson carried the county by more than 8000.

# CHANG HSUN IS CONSIDERED

(Associated Press Cable.) Peking, China, November 8.—General Chang Hsun, the powerful leader who called the military conference at Haichowfu for the purpose of devising means for preventing the parliament from depriving the military of its power, is now prominently mentioned as a candidate for the vice-presidency. President Li Yuan-hung is reported to be favorable to the election of General Chang Hsun to the vice-presidency by the parliament.

Many newspapers are antagonistic to the election of General Chang Hsun and say that his military conference at Haichowfu was nothing but a seditious movement and its promoters should be punished. General Chang Hsun would probably not release his position as military governor of Anhui province, were he elected vice-president, as the vice-presidency is regarded as a sinecure which carries with it high honors but little work. Furthermore, the relinquish of military power would probably mean political downfall for General Chang Hsun, who has been a dominant figure in China for many years.

# RESCUE MANY BOYS FROM WAR

(By Associated Press Dispatch.) Washington, November 8. — Of the many unexpected duties the United States has found thrust upon it by the world war one of the strangest is that of rescuing adventurous boys who enlist in the European armies.

There have been more than a thousand such cases since the war began, and even now letters praying for the release of young soldiers of fortune pour into the state department at the rate of 50 a day. It has been necessary to assign an official to give special attention to the subject.

The story almost always is the same. The youngster, generally between sixteen and twenty, suddenly disappears and is next heard from when he writes home from Canada or England that he has had enough of war and wants to come home.

Then follows an almost tornado-like correspondence in which officials, parents, congressmen and persons who think they can hurry the process of diplomacy by their influence become sympathetic, fearful, importunate or mandatory. The red tape of governmental business, however, unwinds slowly and finally the consul general in London, Ottawa, or somewhere else or perhaps the American Embassy makes representations to the foreign government and the adventurer is released and sent home.

Until recently the British government has been promptly releasing all Americans under 21 on the request of the United States government on the ground that it is illegal for such a person to enlist in a foreign army without parents' consent. Recently the British government has shown a disposition to reduce the age limit to eighteen when minors become of age in a military sense.

# "BE PRETTY," HIS ADVICE TO WOMEN

Explains Common Sense Way to Get and Keep Beauty.

### "BE NATURAL," HE SAYS

Holds Stomach Is Source of Life. More Important Than the Heart. Warns Fair Sex to Take Care of it to Be Attractive.

"Many women paint and powder and use cold cream and lotions when their complexions begin to fade. They think a sallow, wan looking face can be made to bloom like a healthy one by such treatment. But this is all wrong.

"The skin must be treated from the inside out; not from the outside in. True beauty must come from a healthy body; it can not result from an unhealthy one. That is the secret of all beauty—it's beautiful because it's natural—that's all there is to it. Every woman with a good digestion has a good complexion."

This is the opinion of the Tanlac Man, who says all women ought to look pretty. He continued:

"Every woman has a right to be beautiful. It is her divine heritage and duty, and if she is lacking in beauty, is half sick all the time, is droopy, exhausted and not jolly as a girl all her life long it's her own fault. Sick and Don't Know It."

"The trouble with most women is that they are sick and don't know it. Scores of women, from girls to mature mothers, call on me daily, and not one out of a dozen really knows what is the matter with her. They have doctor for everything under the sun—for nervous prostration, for brain gas, for bad blood, for indigestion, gas, tritis, gas on the stomach, headache, dizziness—and the chances are ten to one in every case that the whole trouble is in the digestive organs."

"Let nervous, pale, tired women tone up the system with Tanlac. Give it a chance and women should rapidly regain health, beauty and joy in life. I feel that Tanlac will do just this thing. Hundreds have told me what it has done for them."

Tanlac, the master medicine and reconstructive tonic, is sold exclusively in Washington C. H., by Blackmer & Tanquary. Other exclusive agents in nearby towns are as follows: Sabina, J. J. # SPECIMENS OF U. S. PAPER MONEY

Washington, November 8. — Specimens of paper money of every available issue made by the United States Government since its foundation are being assembled by experts of the Treasury Department and will be mounted in five great volumes. The collection promises to be almost a complete record of paper money issues. Its face value will reach approximately \$100,000 but its value from a numismatic standpoint will be practically inestimable. No private collector could tie up so much actual money in such a collection and even though one had the means and inclination a collection anywhere near as complete as that already gathered by the Government would be almost impossible.

Two volumes have been arranged, the first containing all issues of United States currency. The second is devoted to the issues of national bank notes under Congressional authority. A third, soon to be arranged, will contain State currency, which have been excluded from the first volume, and a fifth volume probably will be used to display currency issued and to be issued under the Federal Reserve System.
